Salary	\$42,000 - \$48,000 per year; DOE
Close Date	May 16, 2024
Job Description	<p>Mary Lou Fulton Teachers College is looking for an instructional design associate to work on a dynamic team at the forefront of digital learning. In this role, the instructional design associate assists digital learning team members with the development and maintenance of online courses and digital materials using best practices in teaching and learning. This is an entry-level position for individuals interested in working in the field of instructional design and being a part of a collaborative team.</p> <p>ASU and MLFTC are focused on the design and scalable delivery of digital teaching and learning models to increase student success and reduce barriers to achievement in higher education. Our high-quality learning experiences support the education of the local, national, and international communities served by ASU.</p>
Essential Duties	<ul style="list-style-type: none"> • Partner with digital learning team members to develop digital learning materials using instructional design principles • Lead the provision and configuration of courses during the course deployment process • Participate in the quality assurance process for courses and learning materials • Edit instructional and supporting materials for grammar, clarity, consistency, and accuracy of the content • Work both independently and interdependently within a team-based model to produce desired outcomes • Engage as assigned in special projects and professional development initiatives individually or with colleagues
Minimum Qualifications	Bachelor's degree in Education or a related field. One (1) year of experience providing educational technology development services, or formal or informal education. Or, any equivalent combination of experience or education from which comparable knowledge, skills and abilities have been achieved.
Desired Qualifications	<ul style="list-style-type: none"> • Demonstrated experience working in Canvas/LMS environments to develop online materials • Demonstrated experience developing learning materials, including job aids, online tutorials, and other instructional or learning materials using online pedagogical approaches, practices, and tools • Demonstrated experience exploring, evaluating, and experimenting with new learning techniques and technologies and seizing new opportunities for enhancing learning • Demonstrated experience working closely with faculty and administrators in a higher education environment

	<ul style="list-style-type: none"> • Demonstrated experience managing multiple projects and prioritizing competing demands to meet established timelines
Working Environment	<p>Activities are primarily performed in a regular, climate-controlled office setting subject to extended periods of sitting, standing, walking; visual acuity and manual dexterity associated with daily use of desktop computer; bending, stooping, reaching and lifting up to 20 pounds; ability to clearly communicate verbally in English, read, write, see, and hear to perform essential duties; regular review of completed tasks.</p> <p>ASU is a diverse enterprise with a wide variety of work and learning modes, locations and a commitment to sustainability, innovation and employee work-life balance. We are determined to maintain our position as an employer of choice in a competitive labor market.</p> <p>Flexible work options</p> <ul style="list-style-type: none"> • Alternative work schedules can include four, 10-hour workdays in a workweek; a nine-day, 80-hour schedule over two workweeks for exempt employees only; and staggered start and stop times. • Hybrid work is an arrangement where employees spend a minimum of 60% of their regular workweek at their primary ASU work location. Dean or vice president-level approval is required.
Department Statement	<p>ASU’s Mary Lou Fulton Teachers College creates knowledge, mobilizes people, and takes action to improve education. Nationally recognized as a leader in teacher preparation, leadership development and scholarly research, Mary Lou Fulton Teachers College prepares over 8,000 educators annually. MLFTC faculty create knowledge by drawing from a wide range of academic disciplines to gain insight into important questions about the process of learning, the practice of teaching and the effects of education policy. MLFTC mobilizes people through bachelor's, master's and doctoral degree programs, through non-degree professional development programs and through socially embedded, multilateral community engagement. MLFTC takes action by bringing people and ideas together to increase the capabilities of individual educators and the performance of education systems.</p> <p>Aligned with ASU’s charter, MLFTC is committed to advancing inclusive excellence in our curricula, programming and institutional relationships. The college’s core value of Principled Innovation connects individual decision making to the pursuit of inclusive excellence.</p>
ASU Statement	<p>Arizona State University is a new model for American higher education, an unprecedented combination of academic excellence, entrepreneurial energy and broad access. This New American University is a single, unified institution comprising four differentiated campuses positively impacting the economic, social, cultural and environmental health of the communities it serves. Its research is inspired by real world application blurring the boundaries that traditionally separate academic disciplines. ASU serves more than 80,000 students in metropolitan Phoenix, Arizona, the nation's fifth largest city. ASU champions intellectual and cultural diversity, and welcomes students from all fifty states and more than one hundred nations across the globe.</p> <p>ASU is a tobacco-free university.
