Dear Student Teacher or Intern Placed in the Phoenix Elementary School District,

Congratulations on your assignment to do your field experience internship in the Phoenix Elementary School District (PESD)! It will be an exciting and challenging semester.

The PESD has revised their clearance process for individuals working in their schools. To ensure the safety of the children in Phoenix, there is a new procedure in place for student teachers and interns.

You may contact your Intern Placement Teacher and discuss your schedule as soon as possible. However, before you start your field experience clock hours you must:

- Be prepared to show your valid DPS Fingerprint Clearance Card at the District Office OR
- Email a scanned copy of the front and back of your card to the Records Clerk (see information below)

Your intern placement is declared “unofficial” until you complete the requirement listed above.

All interns and Student Teachers assigned to the Phoenix Elementary School District will need to scan a copy of their fingerprint clearance card (front and back) to Claudia Fisher, HR Tech., before their starting date. Please contact Claudia Fisher as soon as possible at claudia.fisher@phxschools.org or at 602-257-406.
