

Dear Dysart Unified School District Intern or Student Teacher,

Congratulations on your assignment to do your clinical experience internship or student teaching in the Dysart Unified School District (DUSD)! It will be an exciting and challenging semester.

The DUSD has revised their clearance process for individuals working in their schools. To ensure the safety of the children in this district, they require all interns and student teachers to submit a copy of your DPS Fingerprint Clearance Card along with their emergency contact information prior to being placed in a classroom. You can email this information to [Nathan.Beals@dysart.org](mailto:Nathan.Beals@dysart.org).
