

Dear Phoenix Union High School District Intern or Student Teacher,

Congratulations on your assignment for your clinical experience internship or student teaching in the Phoenix Union High School District! It will be an exciting and challenging semester.

To ensure the safety of the children in this district, it is required of all interns and student teachers to provide a scanned copy of their DPS Fingerprint Clearance Card (front and back) as soon as possible after being advised to do so by the Office of Clinical Experiences. Assigned placement information will not be released without a copy on file in the district.

Important NOTE: You cannot begin your clinical experience internship or student teaching until the district has received a copy of your DPS Fingerprint Clearance Card from the Office of Clinical Experiences.

Sincerely,
Office of Clinical Experiences
