CAREER -- Social, Behavioral & Economic Sciences (SBE)

**Description:**
CAREER: The Faculty Early Career Development (CAREER) Program is a Foundation-wide activity that offers the National Science Foundation's most prestigious awards in support of early-career faculty who have the potential to serve as academic role models in research and education and to lead advances in the mission of their department or organization. Activities pursued by early-career faculty should build a firm foundation for a lifetime of leadership in integrating education and research. NSF encourages submission of CAREER proposals from early-career faculty at all CAREER-eligible organizations and especially encourages women, members of underrepresented minority groups, and persons with disabilities to apply.

**Sponsor:** National Science Foundation (NSF)

**Solicitation number:** NSF 17-537

**Funding amount:**

**Sponsor deadline:** Friday, July 19, 2019

**Solicitation Limitations:**
An associate professor (with or without tenure) is not eligible to apply for a CAREER award. You should not submit a CAREER proposal if you anticipate that your title will change to Associate Professor on or before the October 1st following the proposal submission deadline. CAREER eligibility is not limited by time from degree or years in a tenure track appointment.
