Grants and Contributions

Description:
The American Honda Foundation engages in grant making that reflects the basic tenets, beliefs and philosophies of Honda companies, which are characterized by the following qualities: imaginative, creative, youthful, forward-thinking, scientific, humanistic and innovative. We support youth education with a specific focus on the STEM (science, technology, engineering and mathematics) subjects in addition to the environment. Funding Priority: Youth education, specifically in the areas of science, technology, engineering, mathematics, the environment, job training and literacy.
