iTeachAZ Site Coordinator, Clinical Assistant Professor
Job #12242

We are seeking a full-time iTeachAZ Site Coordinator, who will hold the rank of Clinical Assistant Professor. This is a benefits-eligible academic year position beginning January 1, 2018. This is a fixed-term appointment with no tenure implications.

Major responsibilities include: (1) serving as a liaison to the assigned school district; (2) teaching undergraduate education courses; (3) collaborating with district and school-based administration to identify highly effective mentor teachers; (4) coaching and evaluating teacher candidates’ instructional and professional competencies; and 5) utilizing program data to improve teacher candidate performance and program outcomes.

Required Qualifications:
- Master’s degree in education from an accredited university
- Experience instructing courses in a higher education institution
- Minimum of 3 years of successful teaching experience in an elementary/special education school setting
- Expertise in using classroom assessments and student achievement data to inform instruction
- Demonstrated experience in coaching pre-service or in-service teachers
- Strong communication skills with an ability to foster positive, productive working relationships with teacher candidates, Mentor Teachers, ASU faculty and staff, and school/district personnel

Desired Qualifications:
- Demonstrated commitment to the learning of ALL students and an expressed commitment to students in iTeachAZ sites and to the students of Arizona
- Demonstrated knowledge of co-teaching
- Demonstrated use of technology integration in teaching and professional development
- Participation in collaborative and school-based initiatives
- Demonstrated content expertise in specific academic areas defined by the InTASC. Model Core Teaching standards.
- Earned doctorate in elementary/special education or closely related field from an accredited university
- Familiarity with TAP Rubric for clinical evaluation

About the College and University
Arizona State University’s Mary Lou Fulton Teachers College creates knowledge, mobilizes people and takes action to improve education. Nationally recognized as a leading innovator in teacher education and scholarly research, Mary Lou Fulton Teachers College prepares over 1,500 educators annually through bachelor’s, master’s and doctoral degree programs. Working with a mindset of creative intrapreneurship to bring positive change within organizations, Mary Lou Fulton Teachers College brings people and ideas together to improve student outcomes. We seek to develop a renewable resourcefulness in individual educators, in schools, in school districts and in communities. In line with the charter and design principles of Arizona State University, Mary Lou Fulton Teachers College asserts the following four core values:
- Pursue excellence at scale to achieve impact
- Exercise leadership through innovation
- Champion diversity of people and ideas
- Share responsibility for the strength of communities

Arizona State University is Carnegie classified as a doctoral university of highest research activity, a respected research institution in the Pac-12 Conference, and is developing a new model of an American
research university: one that measures its academic quality by the education its graduates receive; one at which researchers, while pursuing their scholarly interests, and also consider the public good; and one in which faculty expand the concept of community service by accepting major responsibility for the health, economic, and social development of their communities.

**Application Deadline and Procedures**

The initial application deadline is **December 17, 2017**; if not filled, applications will be reviewed on a rolling deadline every two weeks thereafter until the search is closed. The appointment will begin January 1, 2018. Only electronic applications will be reviewed. To submit your application, please visit [apply.interfolio.com/47729](http://apply.interfolio.com/47729).
