

**Academic Associate, Student Resident Supervisor,
Elementary & Secondary Education
(Pool Position #17105)**

ASU's Mary Lou Fulton Teachers College (MLFTC) and the Division of Teacher Preparation invites applications to establish a pool for Elementary and Secondary Education Academic Associates for the 2021-2022 academic year. The successful candidate(s) will teach in-person, evaluate student work, supervise student residents in their field-based residency experiences and assist students in their development as teaching professionals. The Elementary and Secondary Education Teacher Education programs welcome applications from candidates who can bring diversity of thought from their personal experiences with race, ability, gender, language, etc.

Our programs bring people and ideas together to increase the innovation capabilities of individual educators, schools and organizations, districts and communities. MLFTC is building the [Next Education Workforce](#) which starts with the conviction that, if we are not getting the workforce or the learning outcomes we want, we need to redesign the profession, the workplace and how we prepare people for both. As such, the Mary Lou Fulton Teachers College, partners with schools and organizations to:

1. Provide all students with deeper and personalized learning by building teams of educators with distributed expertise; and
2. Empower educators by developing new opportunities for role-based specialization and advancement

Academic Associate positions are one semester (7.5 or 15 weeks), non-benefits-eligible, and fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon needs, funding, and sufficient enrollment. Individuals hired as Academic Associates may not hold multiple, non-benefits-eligible appointments at Arizona State University. Salary is based upon qualifications and assigned teaching load.

This recruitment is to establish a part-time hiring pool for temporary and semester appointments. Applications are considered for the current year only. Applicants who are not hired are encouraged to reapply for the next posting.

The position includes supervising student residents in their field-based residency experiences and may include the use of on-line platforms like GoReact. Familiarity is desirable as well with using Canvas (the University's learning management system), and establishing supportive relationships with residents through class, office hours, emails, and meetings, as needed.
