Classes offered on campus or remotely

On campus, in-person

MLFTC offers in-person classes for bachelor's degree programs at Tempe and West campuses for a more traditional classroom experience.

campus.asu.edu

Remote learning, ASU Sync

For some bachelor's degree programs leading to teacher certification, MLFTC offers Arizona students the option to take classes in real time, remotely via ASU Sync.

education.asu.edu/asu-sync-statewide

Remote learning, ASU Online

MLFTC offers master's and certification-only programs for students who hold bachelor's degrees via ASU Online. Students take classes online and complete coursework on their own schedules.
