

Enrollment Planner The College, Tempe – BA History with Secondary Education Effective Fall 2024

Requirements and Next Steps

- **Maintain 2.25 cum GPA** and successfully complete course work as outlined on your major map.
- **Obtain DPS Identity Verified Print (IVP) Fingerprint Clearance Card**
State law requires students have an **IVP** card to participate in internship and student teaching experiences. Online application can be accessed here: www.azdps.gov/services/fingerprint. Be sure to select **IVP** fingerprint card - **State Board of Education (Teacher Certification)** on application. Employment information can be left blank. Electronic fingerprinting is recommended over paper. You must be in AZ for this method.
Once you receive your IVP card in the mail – upload a copy of both sides here: bit.ly/ivpcard.
- **Watch for email communication** from **Teachers College** about our *Satisfactory Academic Progress and Professional Conduct Policy (SAPP)*, which will include information on how to progress academically and professionally in the program. SAPP Policy: <https://education.asu.edu/mymlftc/student-forms-policies>
Once you have reviewed and submitted the acknowledgment form, you will receive email communications from The Professional Education Services Office (PES).
- **The PES office** in Teachers College will be responsible for finding an appropriate internship placement in a 6-12th grade classroom for you. Be sure to **submit any required documents, including your SONIA form**, when requested to avoid delays in the placement process.
- Internships are embedded into TEL 310 and TEL 332. TEL 366 is a stand alone internship course. TEL 310 and TEL 366 have a 45 hour classroom requirement and TEL 332 has a 60 hour classroom requirement.
- In your final semester, you will complete **student teaching** which requires a full-time commitment over the entire semester.
- **When enrolling in education courses, be sure to look for courses with reserves for Secondary Education Students.** You will not have permission to enroll in TEL courses with reserves for Early Childhood, Elementary Education, or Special Education students.
- Transportation to the school site is important **so please communicate with the PES Office if you have transportation concerns.**

Additional Certification Requirements:

Certification Exam(s): Required: Secondary Professional Knowledge exam: NT052

Students who have a degree in history do not need to take the subject knowledge exam for certification. We encourage all students to research Arizona school districts for their hiring preferences/recommendations, which may include possible subject knowledge exam(s). Check ADE Website for the most up-to-date information:
