The Mary Lou Fulton Teachers College actively encourages diversity among its students, faculty and staff.

**Background Check Statement:** ASU conducts pre-employment screening for all positions which includes a criminal background check, verification of work history, academic credentials, licenses, and certifications.

**Standard Statement:** Arizona State University is a new model for American higher education, an unprecedented combination of academic excellence, entrepreneurial energy, and broad access. This New American University is a single, unified institution comprising four differentiated campuses positively impacting the economic, social, cultural, and environmental health of the communities it serves. Its research is inspired by real world application blurring the boundaries that traditionally separate academic disciplines. ASU serves more than 70,000 students in metropolitan Phoenix, Arizona, the nation’s fifth largest city. ASU champions intellectual and cultural diversity, and welcomes students from all fifty states and more than one hundred nations across the globe.
