Bachelor of Arts in Education (BAE) 
Progression Requirements

Students must meet the following criteria to progress into the upper division requirements of your major. This information is meant to be a general guide. Students are required to meet with their Teachers College Advisor to determine if they have met progression requirements and to complete an Intent to Progress form.

- ASU (if applicable) and Transfer GPA of 2.5 or higher
- Completion of 60 Credit Hours by the start of program
  - Courses may be in-progress at the time of application. Transcripts for all completed courses and unofficial transcripts for courses in-progress must be submitted
- An Arizona Department of Public Safety Identity Verified Print (IVP) fingerprint clearance card
- A grade of “C” or higher in the following general studies course requirements:
  - English: ENG 101/102 or ENG 105
  - Mathematics: MAT 142 or higher (some secondary education specializations require a higher math)
  - Computer: EDT 180 or EDT 321 or an equivalent course (may vary by major)
  - Two Lab Sciences: (SQ and SQ/SG)
  - **PLUS Additional courses for each major (refer to the tables below)**

**Arizona Transfer Students:** Successful completion of a MAPP (Maricopa-ASU Pathways Program) or TAG (Transfer Agreement Guarantee) guarantees progression into the Professional Pathways Program. For more information about transferring to ASU and course equivalencies: Transfer ASU or Arizona Transfer. Once admitted to ASU, Transfer students meet with an advisor to work out a plan for degree completion.

**Additional Courses as Outlined for Each Major and Secondary Education Specialization**

In addition to the “Requirements for All Majors,” students are required to complete courses specific to their major or secondary education specialization with a grade of “C” or higher.

*Course Requirements may vary by catalog year.*

Check with your advisor before enrolling in these classes.

**Secondary Education (BAE) Majors with Course Requirements for Each Area of Specialization**

For more information about courses at ASU in an Area of Specialization: [ASU Major maps](#) or for AZ transfer courses: [Arizona Transfer Guides](#)

| SED – Biology | Math: MAT 170 (this higher math or equivalent required)  
Specialization:  
BIO 181 and BIO 182  
CHM 113 and CHM 116  
2 additional biology courses from required specialization list  
All lower division education courses. |
|---|---|
| SED – Chemistry | Math: MAT 270  
Specialization:  
4 chemistry courses from required specialization list  
All lower division education courses. |
| SED – Earth & Space Science | Math: MAT 210 or MAT 270 (this higher or equivalent required)  
Specialization:  
5 specialization courses from required specialization list  
All lower division education courses. |
| SED – English | Specialization:  
ENG 200  
4 additional English courses from required specialization list  
(not including ENG 101/102 or ENG 105)  
All lower division education courses. |
| SED – History | Specialization:  5 specialization courses from required specialization list  
All lower division education courses. |
|---------------|----------------------------------------------------------------------------------|
| SED – Mathematics | Math: MAT 270 (this higher math or equivalent required) 
Specialization:  
MAT 270  
MAT 271  
MAT 272  
2 additional math courses from required specialization list  
All lower division education courses. |
| SED – Physical Education | For SG general studies requirement: BIO 201  
For SQ general studies requirement: BIO 100, BIO 160, or other SQ BIO 202  
All other lower division courses from Terms 1-4 |
| SED – Physics | Math: MAT 270 and 271 
Specialization:  
PHY 201 and 3 additional physics courses from required specialization list (through 252)  
All lower division education courses. |
| SED – Political Science | Specialization:  5 specialization courses from required specialization list  
All lower division education courses. |
| SED – Spanish | Specialization:  5 Spanish courses from required specialization list  
All lower division education courses. |
