Dear Maricopa Unified School District Intern or Student Teacher,

Congratulations on your assignment to fulfill your field experience internship or student teaching with the Maricopa Unified School District. We are excited about your assignment and we are eager to share in this challenging experience.

The Maricopa Unified School District revised their clearance process for individuals working in our schools. To ensure the safety of the children, we require that all interns and student teachers submit a copy of their DPS Fingerprint Clearance Card prior to entering the classroom. You can fax it, scan it, email it or deliver it to the District Office*. See the detailed information below.

The District Office is located at:
