

Faculty Associate, Masters in Education Pool Position #113827

ASU's Mary Lou Fulton Teachers College (MLFTC) and the Division of Education Leadership & Innovation invites applications to establish a pool for Faculty Associates in Masters in Education (MA Ed) for the 2023-2024 academic year. The successful candidate(s) will teach online courses (e.g., COE 501: Intro to Research and Evaluation in Education, EDU 593: Applied Project), prepare course materials, evaluate student work, and assist students. The Masters in Education program welcomes applications from candidates who can bring diversity of thought from their personal experiences with race, ability, gender, language, etc.

Faculty Associate positions are one semester (7.5 or 15 weeks), non-benefits-eligible, and fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon needs, funding, and sufficient enrollment. Individuals hired as Faculty Associates may not hold multiple, non-benefits-eligible appointments at Arizona State University. Salary is based upon qualifications and assigned teaching load.

This recruitment is to establish a part-time hiring pool for temporary and semester appointments. Applications are considered for the current year only. Applicants who are not hired are encouraged to reapply for the next posting.

The position serves as a lead instructor and includes teaching online, grading, providing feedback on student writing assignments (research proposal paper drafts, reading reflections, peer posts, etc.) managing the course's Canvas (learning management system) page, and establishing warm and supportive relationships with students through class, office hours, emails, and meetings, as needed.

Required Qualifications:

- Doctoral Degree in Education or Education-related field
- At least one semester of experience teaching at the university-level post-secondary or other adult education setting
- Experience with research design or methodologies (e.g., basic qualitative, quantitative or mixed methods)
- Experience in writing and/or reviewing academic writing (e.g., research proposals, journal/conference manuscripts)

Desired Qualifications:

- Experience with Action Research concepts, methods, and writing approaches
- Experience teaching research design and methodologies (e.g., basic qualitative, quantitative, and mixed methods)
- At least one example of learning (e.g., coursework, professional development, trainings) in issues of equity (racial, dis/ability) in educational contexts
- At least one semester of experience using course management systems such as Canvas or Blackboard and digital tools like Zoom
- History of submitting and/or publishing research articles, conference papers, etc.

About the College

ASU's Mary Lou Fulton Teachers College creates knowledge, mobilizes people, and takes action to improve education. Nationally recognized as a leader in teacher preparation, leadership development and scholarly research, Mary Lou Fulton Teachers College prepares over 7,600 educators annually. MLFTC faculty create knowledge by drawing from a wide range of academic disciplines to gain insight into important questions about the process of learning, the practice of teaching and the effects of education policy. MLFTC mobilizes people through bachelor's, master's and doctoral degree programs, through non-degree professional development programs and through socially embedded, multilateral community engagement. MLFTC takes action by bringing people and ideas together to increase the capabilities of individual educators and the performance of education systems.

Aligned with ASU's commitment to justice, equity, diversity and inclusion, MLFTC is committed to advancing systemic equity in our curricula, programming and institutional relationships. The college's core value of [Principled Innovation](#) connects individual decision making to the pursuit of systemic equity.

Application Deadline and Procedures

The application deadline is **April 5, 2023**. Applications will continue to be accepted on a rolling basis for a reserve pool. Applications in the reserve pool may then be reviewed, in the order in which they were received, on an ongoing basis as hiring needs dictate until the position is filled. Only electronic applications will be reviewed.

To apply, submit the following:

- Letter of application/interest that speaks to how you meet any required/desired qualifications of the position
- Curriculum vitae
- Contact information for three professional references; phone and email
