

Clinical Assistant Professor, Learning Design and Technology - #126244 **Division of Educational Leadership and Innovation**

ASU's Mary Lou Fulton Teachers College (MLFTC) and the Division of Educational Leadership and Innovation invite applications for a Clinical Assistant Professor of Learning Design and Technology. The position includes teaching in the Learning, Design, and Technologies (LDT) online M.Ed. program as well as supporting both graduate and undergraduate courses in the field of learning/instructional design and technology. The Division of Educational Leadership and Innovations] welcomes applications from candidates who align with ASU's charter and are committed to inclusion and student success. The successful candidate will also advance [ASU's Design Aspirations](#) through teaching and service.

Essential Duties:

Responsibilities will include, but are not limited to, teaching courses in the Learning Design and Technologies (M.Ed.) and related programs, providing service with faculty across programs, the divisions, college, university, and community, and maintaining an active research agenda as applicable.

Required Qualifications:

- Earned doctorate by August 16, 2024, from an accredited university in learning design or a related field (e.g., educational technology, instructional technology, instructional design).
- Documented evidence of experience teaching in an online program or environment
- Documented evidence of online course design focused on instructional design, learning design, and/or educational technology

Desired Qualifications:

- Demonstrated expertise in instructional design processes and models
- Demonstrated experience with contemporary learning theory and theories/frameworks for online learning
- Demonstrated expertise in taking on a leadership role at the programmatic level
- Demonstrated commitment and expertise in collaborating with diverse populations through research, teaching, and service
- Demonstrated experience teaching in a multicultural environment or in a setting serving international populations
- Demonstrated ability to mentor individual students in professional experience settings and research projects.
- Demonstrated interest and ability to serve on college and university committees
- Demonstrated evidence of success in online college teaching, including establishing strong instructor and social presence in online environments
- Demonstrated evidence of the pedagogical use of innovative technologies

About the College

ASU's Mary Lou Fulton Teachers College creates knowledge, mobilizes people, and takes action to improve education. Nationally recognized as a leading innovator in teacher education and scholarly research, Mary Lou Fulton Teachers College prepares over 8,000 educators annually. MLFTC faculty create knowledge by drawing from a wide range of academic disciplines to gain insight into important questions about the process of learning, the practice of teaching, and the effects of education policy. MLFTC mobilizes people through bachelor's, master's, and doctoral degree programs, non-degree professional development programs, and socially embedded, multilateral community engagement. MLFTC takes action by bringing people and ideas together to increase the capabilities of individual educators and the performance of education systems.

Aligned with ASU's [charter](#), MLFTC is committed to inclusion and student success. The college's core value of [Principled Innovation](#) connects individual decision making with the social, cultural, emotional, and educational needs of others while creating positive change for humanity.
