The Mary Lou Fulton Teachers College at Arizona State University invites applications for a full-time Educational Foundations and Educational Technology instructor beginning Spring 2020. This faculty position will be in the Division of Teacher Preparation. The College seeks individuals committed to preparing future educators who have knowledge of the systems, structures, and purposes of education in variety of contexts as well as how to instruct on and use engaging, inquiry-based learning experiences that infuse technology. Hours and locations will vary by semester but the teaching load is fixed at five courses each semester, fall and spring.

This a benefits eligible academic year position beginning January 6, 2020 to May 15, 2020. This is a fixed-term appointment with no tenure implications and a renewable annual contract based on performance and need. Hours and locations will vary by semester but the teaching load is fixed at five courses in the fall and five courses in the spring in educational foundations, educational equity, educational technology, as well as other education courses as needed.

Major responsibilities include: (1) teaching undergraduate courses in the areas of educational foundations and educational technology, (2) collaborating in the growth of teacher preparation education programs; and (3) providing service to the institution, profession and community. This position requires teaching courses and fulfilling other job responsibilities on ASU campuses in the Phoenix, Arizona, metropolitan area.

Required Qualifications:
- Master's degree in Education, Educational Technology, Curriculum and Instruction or related field,
- Evidence of 3 years full-time teaching experience at the elementary, middle, high school, or collegiate level;
- Demonstrated knowledge of inquiry—based methods to teach technology;
- Demonstrated knowledge of research in educational foundations;
- Familiarity with state and national teaching standards;
- Evidence of student-centric, supportive instruction and leadership; and
- Evidence of excellent interpersonal, oral, and written communication skills.

Desired Qualifications:
- Doctoral degree in Education, Educational Technology, Curriculum and Instruction or related field;
- Experience teaching at the undergraduate college level in face-to-face, hybrid and/or online settings;
• Demonstrated ability to motivate and mentor students at the undergraduate level;
• Experience designing innovative, student-centered curriculum.

About the College and University
Arizona State University's Mary Lou Fulton Teachers College creates knowledge, mobilizes people and takes action to improve education. Nationally recognized as a leading innovator in teacher education and scholarly research, Mary Lou Fulton Teachers College prepares over 1,500 educators annually through bachelor's, master's and doctoral degree programs. Working with a mindset of creative intrapreneurship to bring positive change within organizations, Mary Lou Fulton Teachers College brings people and ideas together to improve student outcomes. We seek to develop a renewable resourcefulness in individual educators, in schools, in school districts and in communities. In line with the charter and design principles of Arizona State University, Mary Lou Fulton Teachers College asserts the following four core values:

• Pursue excellence at scale to achieve impact
• Exercise leadership through innovation
• Champion diversity of people and ideas
• Share responsibility for the strength of communities

Arizona State University is Carnegie classified as a doctoral university of highest research activity, a respected research institution in the PAC-12 Conference, and is developing a new model of an American research university: one that measures its academic quality by the education its graduates receive; one at which researchers, while pursuing their scholarly interests, also consider the public good; and one in which faculty expand the concept of community service by accepting major responsibility for the health, economic, and social development of their communities.

Application Deadline and Procedures
The initial application deadline is November 1, 2019; if not filled, applications will be reviewed on a rolling deadline every two weeks thereafter until the search is closed. The appointment may begin as early as January 6, 2020. Only electronic applications will be reviewed. To submit your application, please visit apply.interfolio.com/70294.
